Ende			

Bei einer Unternehmensführung im Hauptsitz der Firma in Leoben, habt ihr die Möglichkeit, einen Blick hinter die Kulissen der High-Tech Produktion zu werfen und bekommt somit Einblicke in die Welt von AT&S.

"Climate Change is already a matter of life and death"

Derart drastisch formulierte der EU-Generalsekretär Antonio Guterres die Situation unseres Planeten bei der Eröffnung der Weltklimakonferenz in Katowice, Polen im Dezember 2018.

Wie gehen wir mit den aktuellen Entwicklungen (Globalisierung, Digitalisierung, Automatisierung, Klimaerwärmung, demografische Entwicklung, etc.) um?

Welche Auswirkung haben sie auf unser Leben und unsere Arbeit? Sind wir Passagiere oder Gestalter/innen?

Research & Development, Strategy, Industry 4.0

AT&S

Wusstet ihr, dass die Leiterplatte eine österreichische Erfindung ist?

Ausgehend von der Frage woher Leiterplatten kommen, werden wir gemeinsam klären, welche Auswirkungen sie bereits jetzt auf unser tägliches Leben haben und welche Trends wir für die Zukunft sehen.

Wir zeigen euch, wie wir Industrie 4.0 verstehen, und welchen großen Einfluss diese Zukunft jetzt schon auf uns hat.

Schließlich gilt es zu klären, welche Bedeutung dieser und andere Trends für uns in Zukunft haben werden.

AT&S first choice for advanced applications

This presentation is provided by AT & S Austria Technologie & Systemtechnik Aktiengesellschaft, having its headquarter at Fabriksgasse 13, 8700 Leoben, Austria, or one of its affiliated companies ("AT&S"), and the contents are proprietary to AT&S and for information only.

AT&S does not provide any representations or warranties with regard to this presentation or for the correctness and completeness of the statements contained therein, and no reliance may be placed for any purpose whatsoever on the information contained in this presentation, which has not been independently verified. You are expressly cautioned not to place undue reliance on this information.

This presentation may contain forward-looking statements which were made on the basis of the information available at the time of preparation and on management's expectations and assumptions. However, such statements are by their very nature subject to known and unknown risks and uncertainties. As a result, actual developments, results, performance or events may vary significantly from the statements contained explicitly or implicitly herein.

Neither AT&S, nor any affiliated company, or any of their directors, officers, employees, advisors or agents accept any responsibility or liability (for negligence or otherwise) for any loss whatsoever out of the use of or otherwise in connection with this presentation. AT&S undertakes no obligation to update or revise any forward-looking statements, whether as a result of changed assumptions or expectations, new information or future events.

This presentation does not constitute a recommendation, an offer or invitation, or solicitation of an offer, to subscribe for or purchase any securities, and neither this presentation nor anything contained herein shall form the basis of any contract or commitment whatsoever. This presentation does not constitute any financial analysis or financial research and may not be construed to be or form part of a prospectus. This presentation is not directed at, or intended for distribution to or use by, any person or entity that is a citizen or resident or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation or which would require any registration or licensing within such jurisdiction.
